SUBJECT: frozen pasta expiry date

The date printed on the label refer to fresh pasta stores at 4°C.

The fresh pasta can be frozen to extend the shelf life.

As the products have been frozen as soon as received in Hong Kong, we consider a new shelf life of additional 12 months from the data printed on the label.

TARTUFLANGHE SRL

A blue handwritten signature is written over a smaller version of the Tartuflanghe logo, which includes the text 'S.R.L.' below the banner.
